## CORE COMPETENCIES

- Herbal Tea Manufacturing – Small-batch and scalable production of loose-leaf herbal tea blends using organic and ethically sourced herbs and spices.
- Bulk & Contract Manufacturing – High-volume capability for institutions, restaurants, universities, hospitals, and wellness programs.
- Private Label & Custom Blends – Co-branded or custom-formulated teas for retailers, spas, hospitality groups, and corporate gifting.
- Corporate Wellness Kits – Teas packaged into ready-to-distribute employee wellness, stress-relief, or visitor packages.
- Sustainable Ingredient Sourcing – Direct partnerships with organic farms in TX, IA, NC, CA, and ethical global suppliers.

## DIFFERENTIATORS

- Women-owned small business with clean ingredient standards.
- 100% natural, plant-based formulas; no additives, artificial flavors, dyes, or preservatives.
- Flexible production scale: 12–1,000+ units, with 3–7 day standard fulfillment.
- FDA-compliant labeling, batch tracking, and traceable sourcing documentation.
- Dual production capacity from Houston, TX
- Strong brand recognition, premium packaging, and high retail sell-through rates.

## PRODUCT CAPABILITIES

- Loose-leaf herbal teas (3 oz and 1.5 oz)
- Bulk food-service packaging (½ lb – 5 lb)
- Individual sample packs
- Custom blends for institutional goals (immunity, relaxation, digestion, energy)
- Tea + wellness gift kits for events, employee benefits, patient support programs

## PAST PERFORMANCE

- Wholesale partnerships with boutiques
- Fulfillment of high-volume tea orders for events and specialty vendors
- Participation in community and nonprofit wellness programs
